Assessor's Tips on Answering Tests and Examinations

- CIC's highly experienced Assessors give 2 "tips" on answering Question Papers, these are:
1. Do NOT waste time writing out the questions which are already printed on the actual Examination Paper - doing so is unnecessary and does not achieve any extra marks.
 2. BEFORE answering a Question, highlight or underline "requirements" words such as: "explain" - "describe" - "compare" - "contrast" - and make sure your answers do what is required!

Jersey (the location of CIC's HQ) Hosts the "Island Games"

June and July are busy months for Jersey because Jersey (which has been the international Headquarters of CIC for 41 years) is hosting the 16th international "Island Games" competition. Twenty four (24) different islands - many of which have CIC Members - are competing in different sports in this period.

Left and above are two of the Jersey athletes formerly coached by CIC VP David Lawson: Yasmin (400m finalist) and Stanley (400m hurdles winner); and right is Natasha who the VP coached at athletics and is now a rising - and winning - tennis star. (Above are Bermuda's Taahira Butterworth and Natasha Trott, 1st and 2nd in the women's 200m final.)

David Lawson, CIC's Vice Principal, talks about the Island Games and why they are particularly special to him: "I am a great lover of sport. I have played several sports at competitive levels - team games like football, rugby and hockey, and individual sports like tennis, squash, golf and racket ball, which I still play with great enthusiasm. But my passion has always been athletics, and after giving up competitive athletics I coached the Jersey Junior Athletics team for many years; several of the athletes I trained have won medals in these Games, making me very proud. It is wonderful that sportsmen and sportswomen are able to compete at high level in friendly international competition, with opportunities for cultural exchange and social interaction amongst the visiting teams."

These photos showing some of the great action from the Island Games are shown Courtesy of the Jersey Evening Post Sports in these Island Games are: Archery, Athletics, Badminton, Basketball, Cycling, Football, Golf, Sailing & Windsurfing, Shooting, Swimming, Table Tennis, Tennis, Triathlon; the 24 competing teams are from: Aland, Alderney, Bermuda, Cayman Islands, Falkland Islands, Faroe Islands, Froya, Gibraltar, Gotland, Greenland, Guernsey, Hitra, Isle of Man, Isle of Wight, Jersey, Menorca, Orkney, Rhodes, Saaremaa, Sark, Shetlands, St Helena, Western Isles, Ynys Mon.
